COOKIE POLICY

1. Introduction

This Cookie Policy explains how Technogeek Ltd ("Company", "we", "us", or "our"), a company registered in the Marshall Islands, uses cookies and similar tracking technologies on our website, Tradonova, accessible at www.tradonova.com ("Platform").

This policy should be read alongside our Terms and Conditions and Privacy Policy. By continuing to browse or use our Platform, you agree to our use of cookies as described herein, subject to your cookie preferences and applicable data privacy laws.

2. What Are Cookies?

Cookies are small text files placed on your computer, mobile device, or tablet when you visit a website. They are widely used to make websites work efficiently, enhance user experience, provide customized content, and report analytical information to site operators.

We use the following types of tracking technologies:

- **First-Party Cookies:** Set directly by Tradonova to enable core site functionality and security.
- **Third-Party Cookies:** Set by external service providers integrated into our Platform for analytics, payment processing, or operational support.
- **Session Cookies:** Temporary cookies that expire once you close your browser.
- **Persistent Cookies:** Cookies that remain stored on your device until they reach a set expiration date or are manually deleted.

3. Categories of Cookies We Use

A. Strictly Necessary Cookies

These cookies are essential for the operation of the Platform. They enable core functionalities such as user authentication, security, fraud prevention, account navigation, and access to paid course content. Without these cookies, the Platform cannot function properly.

B. Performance & Analytics Cookies

These cookies collect aggregated, anonymized information about how visitors interact with our Platform (e.g., pages visited, time spent on pages, traffic sources, and site load speeds). We use this data to improve website functionality, fix technical errors, and optimize the learning experience.

C. Functionality & Preference Cookies

These cookies allow the Platform to remember choices you make (such as your login credentials, language preferences, course progress, or display settings) to provide a more personalized and seamless experience.

D. Targeting & Marketing Cookies

These cookies may be set through our Platform by authorized third-party partners to build a profile of your interests and show you relevant content or announcements on other sites. They do not store directly personal information but rely on uniquely identifying your browser and internet device.

4. Third-Party Integrations & Cookies

Some features on our Platform rely on third-party services, including:

- **Payment Processors:** To process secure transactions and verify payments.
- **Analytics Tools:** To gather aggregated traffic and usage statistics.
- **Security & Infrastructure Services:** To protect against automated bot attacks and maintain uptime.

Third-party service providers manage their own cookies according to their respective privacy and cookie policies.

5. How to Manage and Disable Cookies

You have the right to decide whether to accept or reject non-essential cookies. You can exercise your preferences through the following methods:

- **Browser Settings:** Most web browsers allow you to manage, block, or delete cookies via their settings menus (typically located under "Options", "Settings", or "Preferences"). Blocking or disabling essential cookies may impact the availability and performance of certain Platform features.
- **Opt-Out Tools:** You may opt out of common third-party analytics services (such as Google Analytics) directly through browser add-ons provided by those services.

6. Updates to This Cookie Policy

We reserve the right to update or modify this Cookie Policy at any time to reflect changes in legal requirements, technology, or operational practices. Any changes will become effective immediately upon being posted on this page with an updated "Last Updated" date.

7. Contact Us

If you have any questions or concerns regarding our use of cookies or this policy, please contact us at:
